Midway retains Windward Global

Midway Gold Corp. ("Midway") is pleased to announce that Windward Global ("Windward") of Charlotte, North Carolina has been engaged by Midway. Windward, founded by its principal, Kelly Boatright, will provide assistance with Midway's Investor Relations and Public Relations efforts. Windward has served the natural resource sectors for more than two decades and maintains a strong presence in Canada, the United States and Europe.

Windward will be paid a monthly retainer of US\$5,000, plus approved expenses. The initial billing will contain a startup fee of US\$2,500. The agreement will progress on a monthly basis, renewing automatically, and may be terminated by either party by two-week written notice. Windward does not engage in market making activities and will restrict its services to public relations and investor relations counseling.

Windward maintains an extensive network of representatives and account service specialists in Toronto, New York, Charlotte, Atlanta, London, England and Zurich, Switzerland. In addition to organizing broker road shows, Windward will also manage press release dissemination, assist in the design of marketing materials, and miscellaneous tasks related to Midway's investor relations and public relations programs.

Midway is a precious metals exploration company listed on the NYSE Amex and Tier-1 of the TSX Venture Exchange. Its primary focus is discovering and developing high-grade gold resources in environmentally favorable deposits within politically stable regions known for large gold endowments.
