PRESS RELEASE

**MIDWAY GOLD ANNOUNCES US\$25 MILLION BOUGHT DEAL
OFFERING OF COMMON SHARES**

Denver, Colorado - Midway Gold Corp. (TSX and NYSE MKT:MDW) ("Midway Gold" or the "Company") is pleased to announce that it has entered into an agreement with a syndicate of underwriters, led by RBC Capital Markets and Haywood Securities Inc., under which the underwriters have agreed to buy 30,121,000 common shares of the Company ("Common Shares") at a price of US\$0.83 per Common Share (the "Offering Price"), representing aggregate gross proceeds of US\$25,000,430. In addition, the underwriters will also have an over-allotment option exercisable at any time until 30 days following the closing of the offering to increase the size of this offering by up to an additional 3,012,100 Common Shares for additional gross proceeds of up to US\$2,500,043.

In connection with the offering, the Company has received consent from the holders of its Series A Preferred Shares to issue the Common Shares at an Offering Price less than the conversion price of US\$1.85 pursuant to the rights granted to the holders of the Series A Preferred Shares. As consideration for obtaining the consent, the Company has agreed to issue an aggregate of 3,434,474 Common Shares to the Series A Preferred Shareholders, which equals an aggregate amount of US\$2,850,613 at the Offering Price. The Common Shares to be issued as consideration for obtaining the consent of the Series A Preferred Shares do not form a part of the offering.

The Company intends to use the net proceeds of the offering to fund the construction and working capital for the Pan project, Gold Rock development and permitting, and general corporate purposes.

Closing of this offering is expected to be on or about June 6, 2014 and is subject to certain conditions, including but not limited to, receipt of all necessary securities regulatory approvals (including the approval of the Toronto Stock Exchange and NYSE MKT LLC).

The prospectus supplement to the Company's short form base shelf prospectus dated December 5, 2012 filed with the securities commissions in British Columbia, Alberta and Ontario (the "Canadian Prospectus") and the prospectus supplement to the Company's base prospectus dated November 14, 2012 included in the registration statement on Form S-3 filed with the Securities and Exchange Commission ("U.S. Prospectus") contain important information relating to these securities. About Midway Gold Corp.

Midway Gold Corp. is a precious metals company with a vision to explore, design, build and operate gold mines in a manner accountable to all stakeholders while assuring return on shareholder investments.

Neither the TSX Exchange, its Regulation Services Provider (as that term is defined in the policies of the TSX Exchange) nor the NYSE MKT accepts responsibility for the adequacy or accuracy of this release.

This press release contains forward-looking statements about the Company and its business. Forward looking statements are statements that are not historical facts and include, but are not limited to, statements about the Company's intended work plans and resource estimates, the closing of this offering of Common Shares, the participation of Hale Capital Partners, LP in this offering, and the potential use of proceeds from this offering of Common Shares. Forward-looking statements are typically identified by words such as: "may", "should", "plan", "believe", "predict", "expect", "anticipate", "intend", "estimate", "postulate" and similar expressions or the negative of such expressions or which by their nature refer to future events. The forward-looking statements in this press release are subject to various risks, uncertainties and other factors that could cause the Company's actual results or achievements to differ materially from those expressed in or implied by forward looking statements. These risks, uncertainties and other factors include, without limitation, risks related to the timing and completion of the Company's intended work plans, risks related to fluctuations in gold prices; uncertainties related to raising sufficient financing to fund the planned work in a timely manner and on acceptable terms; changes in planned work resulting from weather, logistical, technical or other factors; the possibility that results of work will not fulfill expectations and realize the perceived potential of the Company's properties; uncertainties involved in the interpretation of drilling results and other tests and the estimation of gold resources and reserves; the possibility that required permits may not be obtained on a timely manner or at all; the possibility that capital and operating costs may be higher than currently estimated and may preclude commercial development or render operations uneconomic; the possibility that the estimated recovery rates may not be achieved; risk of accidents, equipment breakdowns and labor disputes or other unanticipated difficulties or interruptions; the possibility of cost overruns or unanticipated expenses in the work program; changes in interest and currency exchanges rates; local and community impacts and issues; environmental costs and risks; and other factors identified in the Company's SEC filings and its filings with Canadian securities regulatory authorities. Forward-looking statements are based on the beliefs, opinions and expectations of the Company's management at the time they are made, and other than as required by applicable securities laws, the Company does not assume any obligation to update its forward-looking statements if those beliefs, opinions or expectations, or other circumstances, should change. Although the Company believes that such forward-looking statements are reasonable, it can give no assurance that such expectations will prove to be correct. For the reasons set forth above, investors should not attribute undue certainty to or place undue reliance on forward-looking statements.
